

CALvTSHO GROUP (Pty) Ltd

Integrity. Quality. Results.

1. Executive Overview & Strategy

Managing Director: ST Moloi

Our Vision: To stand as the premier multi-disciplinary industrial partner across Southern Africa, recognized for setting benchmark standards in safe operational execution, absolute compliance, and robust multi-sector logistical support services.

Our Mission: To safely deliver unparalleled commercial services, robust technical operations, and bulletproof strategic labour consulting that enables heavy industry, manufacturing plants, and mining sectors to function seamlessly with peak operational continuity.

2. Core Business Divisions

Industrial & Commercial Cleaning	Specialized sanitization protocols for corporate campuses, heavy commercial factories, assembly lines, and highly sensitive processing plants utilizing elite safety techniques.
Mining & Quarries Support	On-site strategic logistical assistance, asset care, environmental waste containment safety operations, and physical materials support directly customized for high-output mine setups.
Manufacturing & Supply Chain	Comprehensive management of freight tracking pipelines, procurement logistics, secure freight delivery networks, and physical warehouse inventory handling layouts.
Labour Law Consultants	Elite strategic compliance advisory services managing workplace disputes, industrial strike mediations, contract structures, and direct CCMA representation defense architectures.
